#### **MiFID II product governance**

THE TARGET MARKET IS RETAIL CLIENTS, PROFESSIONAL INVESTORS AND ECP's -Solely for the purposes of each manufacturer's product approval process, the target market assessment in respect of the Bonds, solely with respect to the customer type criteria, has led to the conclusion that: (i) the target market for the Bonds solely consists of eligible counterparties, professional clients and retail clients as defined in Directive 2014/65/EU "MiFID II", and (ii) all distribution channels are appropriate. Any person, subsequently offering, selling or recommending the Bond (a "Distributor") should take into consideration the manufacturers' target market assessment. However, a Distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Bonds (by either adopting or refining the manufacturers' target market assessment) and determining appropriate distribution channels.
