In this situation, Realkredit Danmark may extend the bonds in question for 12 months at a time from the ordinary maturity date of the bonds.

Extension due to increasing interest rates

This will be announced via a company announcement.

As soon as Realkredit Danmark has a realistic expectation that the sale can be completed a new plan will be announced via a company announcement. Realkredit Danmark may try to sell the bonds until one banking day prior to the ordinary expiration of the bonds.
