

Final terms Series 15G Non-callable floating-rate bonds <i>Translation from Danish. The Danish version prevails</i>	
These final terms ("Final terms") apply to SDRO's issued by Realkredit Danmark A/S. The Bonds are issued according to the "Base prospectus for mortgage bonds and mortgage-covered bonds issued by Realkredit Danmark A/S" dated 13 July 2020 and any supplements (together "Base prospectus"). The Final terms only apply to the issuance of the specific SDRO's ("Bonds") described in the Final terms. MiFID II product governance THE TARGET MARKET IS RETAIL CLIENTS, PROFESSIONAL INVESTORS AND ECP's - Solely for the purposes of each manufacturer's product approval process, the target market assessment in respect of the Bonds has led to the conclusion that: (i) the target market for the Bonds solely consists of eligible counterparties, professional clients and retail clients as defined in Directive 2014/65/EU "MiFID II", and (ii) all distribution channels are appropriate. Any person, subsequently offering, selling or recommending the Bond (a "Distributor") should take into consideration the manufacturers' target market assessment. However, a Distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Bonds (by either adopting or refining the manufacturers' target market assessment) and determining appropriate distribution channels.	
Declaration	Realkredit Danmark A/S hereby declares: a) that the Final Terms were drawn up pursuant to the Prospectus regulation (Regulation (EU) 2017/1129 of the European Parliament and of the Council of 14 June 2017) and should be read in conjunction with the Base Prospectus and any supplements to obtain all relevant information on the bonds b) that the Base Prospectus and any supplements are electronically available at Realkredit Danmark A/S's web-site www.rd.dk/Investor c) that investors should read the Base Prospectus, any supplements to the Base Prospectus and the Final Terms to obtain full information d) that the summary of the specific issue has been attached as appendix A to the Final Terms.

These final terms are signed on behalf of Realkredit Danmark's management in accordance with special authorisation granted by Realkredit Danmark's Board of Directors.

Key information on the securities

<i>What are the main features of the securities?</i>	
Type, class and ISIN	The bonds are mortgage covered bonds issued pursuant to the <i>Mortgage-Credit Loans and Mortgage-Credit Bonds etc. Act</i> and relevant executive orders. Funds derived from the issuance and sale of the Bonds are applied to fund lending secured by mortgages on real property etc. provided by Realkredit Danmark A/S. ISIN is displayed in tables 1 and 2.
Currency, denomination, par value, the number of securities issued and the term of the securities	Currency: SEK Denomination: 0.01 Interest: Floating Amortisation: Bullet Callable: No The nominal interest rate on the bonds and detailed provisions on loan settlement, including repayment, are set out in the Final Terms. The yield cannot be provided in the Final Terms because the Bonds are issued on tap, and the yield depends on the price and transaction date.
Rights attached to the securities	In the event of bankruptcy of Realkredit Danmark A/S, Bondholders will rank before unsecured creditors (subject to certain costs of administration of the estate etc.) in terms of assets in the capital centre where the Bonds are issued, and also to Realkredit Danmark A/S's other assets. The terms of the Bonds are governed by Danish law.
Relative seniority of the securities in the issuer's capital structure in the event of insolvency, including, where applicable, information on the level of subordination of the securities and the potential impact on the investment in the event of a resolution under Directive 2014/59/EU	If a mortgage credit institute becomes insolvent, the Danish FSA may file a petition in bankruptcy. After a bankruptcy order has been issued, funds cannot be transferred between capital centres and the General Capital Centre. The amount for which holders of ROs and SDROs and other securities have secured creditor status equals the assets available in a capital centre from time to time net of allocation of income and expenses. If an institution is declared bankrupt, capital centre funds, less costs incurred in connection with bankruptcy proceedings, etc., including liquidator's fees, salaries, etc., will be used to satisfy claims notified by holders of ROs and SDROs and other securities. Covered next is debt raised by the mortgage credit institute for the purpose of providing supplementary collateral, cf. section 27 of the <i>Mortgage-Credit Loans and Mortgage-Credit Bonds etc. Act</i>, for the relevant capital centre and claims for interest on such debt accrued from the date of the bankruptcy order. Pursuant to section 32 of the Bankruptcy Act, any excess funds will be included in the assets available for distribution.
Restrictions on the free transferability of the securities	No restrictions apply to the transferability of the Bonds.
Where will the securities be traded?	
Admission to trading	The Bonds are admitted to trading on Nasdaq Copenhagen A/S.

<i>What are the key risks that are specific to the securities?</i>	Realkredit Danmark A/S believes that the factors summarised below represent the key risks associated with an investment in the Bonds, but Realkredit Danmark A/S cannot guarantee that the description of the risks associated with the Bonds is exhaustive. Prospective investors should also read the detailed information set out elsewhere in this Base Prospectus and make their own assessment, including consulting their own advisers, before making an investment decision. Should one or more of the risks mentioned below materialise, investors may lose part or all of their investment in the Bonds: • Risks associated with the market in general, including: ○ Interest rate risk ○ Negative coupon ○ Early prepayments ○ Lack of liquidity in the market • Risks associated with the Bonds in general, including: ○ Risk of maturity extension ○ Loss of SDRO-status ○ Lack of eligibility in the Eurosystem ○ Non-compliance with the balance principle

Key information on the issue

<i>Under which conditions and timetable can I invest in this security?</i>	
<i>Terms and conditions</i>	Generally, the bonds may be sold in different ways: • At auctions, conducted via the IT systems of NASDAQ Copenhagen A/S for the refinancing of mortgage loans. Only members of NASDAQ Copenhagen A/S may participate. Other investors may participate by bidding through a member of NASDAQ Copenhagen A/S. • Tap issuance and block issues. No investors have any privileged right to purchase the Bonds issued on tap on a daily basis or in block issues. At auctions, the Bonds are allocated according to Realkredit Danmark's auction terms. The Bonds are allocated after a time period specified by Realkredit Danmark. The bond series are open for new issuance during a predetermined opening period. Realkredit Danmark A/S may issue Bonds on tap during the opening period. Realkredit Danmark A/S may decide to terminate the offer during parts of the opening period. The minimum amount for investment is equivalent to the size of the individual ISIN. The maximum amount for investment is equivalent to the volume in circulation of the individual ISIN.

	There is no right of withdrawal when buying the Bonds. Generally, the Bonds are traded with two-day settlement, but exemptions may be made for example in connection with auctions. There are no subscription rights attached to the Bonds. The offer price of the Bonds is determined on market terms based on bid/ask prices. Consequently, the price will change over the life of the Bonds. Delivery and clearing of the Bonds will take place via VP Securities A/S or Verdipapirsentralen ASA or another securities depository in which the Bonds are registered. The Final Terms specify where the specific ISIN is registered.
<i>Why is this prospectus being produced?</i>	Realkredit Danmark issue Bonds on an ongoing basis. Funds derived from the issuance and sale of the Bonds are applied to fund lending secured by mortgages according to the <i>Mortgage-Credit Loans and Mortgage-Credit Bonds etc. Act</i> and related executive orders.
<i>Conflicts of interest</i>	Realkredit Danmark A/S is not aware of any conflicts of interest that may be relevant to the issue of Bonds under this Base Prospectus.
